

Earth Day

Join us for a family-friendly celebration of Mother Earth with refreshments and environmentally conscious crafts! We've got empty planters, potting soil and baby pansies. The only thing missing is you. Together we'll build miniature pansy gardens that you can use to add a splash of color to your home.

APRIL 22

Sunday, 12pm to 2:30pm
Meridian Crossing Clubhouse

Residents of Meridian Crossing and Dodson Court only, please. Registration is required, so don't miss out on this chance to cultivate your green thumb and add beauty to our environment, register today!
